**GOLDEN YEARS IN UAE**

**നാട്ടുസ്മൃതികൾ**

**The Kolenchery Association UAE** was founded in the year 2003, precisely on Jan 17, 2003 in a get-together of like-minded Keralites from in and around Kolenchery in Ernakulam District. The Organisation currently consists of around 200 active members and their families who pursue the mission **CARING & SHARING**. We have achieved several landmarks by voluntarily rendering socio welfare services to our society both in UAE and in India.

**Kolenchery Association UAE** highlights the mission to serve the society by providing charity for the enhancement of primary needs of human beings, in the areas of education, health, shelter, job placement, marriage assistance etc.

Kolenchery was just a hamlet with church, handful of schools and cinema theatre five decades ago. It was known outside as the home of contractors and real estate owners. It is absolutely diverse now; Kolenchery is among those few towns in Kerala, which has made great progress in the recent past.

As we have started our organization in 2003 and successfully completed 9 years in U.A.E, we are on our 10th year now. This year we had planned to begin our charity drive by **donating an Ambulance to the Palliative Care Unit associated with Poothrikka Gramma Panchayath**. The event is scheduled to be held at St. Peter's College Ground, Kolenchery on Sunday, 04th March 2012. A public function will be conducted in the presence of available Ministers and other distinguished Guests.

This gala event includes **live music by famous play back Singers M.G. Sreekumar, Rimy Tomy and their team**. We expect a gathering of more than 20000 people for the event.

We kindly request your generous support and patronage to make this noble venture a grand success. Details are enclosed herewith for your kind reference and necessary consideration.

With eager optimism

Thanking You
